The Hon. Secy.

Sir

With ref to your ¹⁹⁰⁶
23-4-06 I have
the honor to report that for reasons
given below I do not think that the
application of the provisions of that
Act for Agricultural Relief Act
mentioned in P. A. No 2529 of 1905
is at present desirable or would in any
way better the position of ^{the} agriculturists
in the state.

(1) The rates of assessment on the
lands in the state are much higher
than those obtaining in the adjoining
British villages & are in some cases
double. The Rayats manage to pay
these land rev & tide over their other
difficulties of life with the help of the Sarda

If the Act is applied they will practically be deprived of this help.

(2) The funds at the disposal of the State being limited, the Rajas cannot expect to get assistance from the State to the same extent to which British Rajas can, even in the matter of Jagai loans. They will be left without any resource to fall back upon, in case of necessity or misfortune.

(3) The application of the Act will lead to a sale of lands. The lands will slowly but steadily pass out of the possession of benighted agriculturists into the hands of Sawkers. No farmer will venture to ~~give~~ advance a loan with the security of lands merely mortgaged.

(4) The present relations between the

Sawker & the Rajas which are, on the whole friendly ^{more than} in 75 cases out of 100 will disappear. There will be no mutual trust

between them. The Rayat will be
left in a precarious condition. He
naturally, ~~for~~ ^{for} sure, looks to the State for
help, because he cannot approach
the State because its funds
are limited. Unless some sort of
State help is ~~provided~~ ^{provided} in
times of difficulties which the Rayat
has many, it may be undesirable
to apply the Act & leave him to shift
for himself.

(3) Land is already passing out of
cultivation in the State, partly on
account of repeated epidemics of
plague & partly on account of high
assessment. If the Act is applied,
forfeitures of land for default of pay-
ment may be more frequent than
they are ~~at present~~ ^{at present} & State revenue may
suffer.

ms 320 6) Owers have been issued by the P.N.
C.P.C. ^{(Order) the sale of immovable property to any person}
for the execution of civil decrees through

There is officers from Sept last. This will
no doubt find the Rayets some relief

(7) When the Act is applied Village Munsiffs
& Conciliators will have to be appointed.
The Rayets are in fact ^{village officers of this State} ~~the Rayets are in fact~~ ~~the Rayets are in fact~~
recently the majority of the villages are uneducated
& ill situated in life. It is doubtful how
far village munsiffs & Conciliators may
be competent to do them duties. The Rayets
may ^{will} possibly be left to the tender mercies
of these officials & many ~~parties~~ ^{will} feel
that they were better off with their old friends,
the Lawyers.

(8) The Act has been and recently applied
to the Dhur Dist. It is ~~not~~ ^{more} in, I think,
desirable to await the development
of things. The Dist itself ^{has to apply the Act} ~~has to apply the Act~~
before the Act is applied to the State.
~~applied to the State~~ This question was
once discussed when in the line of the
late P. H. It was thought more expedient
to defer the application of the Act ^{to the State} ~~to the State~~
till of actual experience in the Dist.

(9). The Act, I understand, has not
been applied to the native states
in the Dist.

The present Political Agent did not know that the late
Political Agent had considered the matter; but the point
should not be lost sight of. The Dewan's fears are prob-
-ably exaggerated; Munsiffs and Conciliators have not
yet been appointed in Dharwar. A further report will be
